

Arizona Trout-In-the-Classroom (TIC) Monthly and End of Year Fish Report

This is to confirm that on _____ (date) ____ (number) of surviving trout from the Trout-In-the-Classroom (TIC) Program at _____ (school) were removed from their tank. Fish counts from logs maintained throughout the year are noted on the next page.

The signature of the school representative below, and acknowledged by the TIC volunteer, confirms that an appropriate method was used for the death and disposition of the fish.

As agreed at the beginning of the school year by the school signing the Responsible Use Plan Agreement, these signatures also confirm no fish have been released live into the environment now or throughout the school year.

Respectfully submitted:
